The Board wishes to inform the shareholders (the “**Shareholders**”) of the Company and the potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group and information currently available to the Board for the year ended 31 December 2025 (the “**Year**”), it is estimated that the Group is likely to record a consolidated profit attributable to equity holders of the Company of approximately HK\$0.8 million for the Year, as compared to a consolidated profit attributable to equity holders of the Company of approximately HK\$15.3 million for the year ended 31 December 2024.

The expected decrease in profit was primarily due to (i) the absence of a gain of approximately HK\$13.9 million on disposal of the entire equity interest in the Group’s wholly-owned subsidiary namely Success Profit International Limited; and (ii) the decrease in sales revenue of the products of the Group.

The Company is still in the process of finalising the financial results of the Group for the year ended 31 December 2025. The information disclosed in this announcement represents a preliminary assessment by the Board based on the information currently available to it, which has yet to be reviewed by the audit committee of the Board or audited by the auditor of the Company. Hence, the annual results of the Group for the year ended 31 December 2025 may be different from the information disclosed herein.

The Board expects that the announcement on the annual results of the Group for the year ended 31 December 2025 will be published before the end of March 2026.
